OBJECTIVE

Seeking a 4 to 8 month work term in software development, applying full-stack web, database, and systems analysis experience.

SKILLS

- **Java object-oriented applications:** Java awt, swing, and Javafx.
- **Database Administration:** Design and programming with ERD, Oracle, PostgreSQL, and SQLite.
- **Front-end web development:** React, React Native, Material UI, Bootstrap, Figma.
- **Robotics and embedded systems:** Python, ROS, Docker, NVIDIA Jetson (Linux for Tegra).
- **Back-end web development:** Django, PHP, express, NodeJs.
- **Systems Analysis and Design:** UML diagrams, WBS, and HCI.
- **Linux Operating Systems:** Installation, configuration, and Bash scripting.
- **Intuitive Leadership:** Strong communication, adaptive to changes, effective problem-solving.

EDUCATION

Computer Programming and Analysis	Humber Polytechnic
• <i>Advanced Diploma; GPA: 83.8</i>	<i>Sept. 2024 – Present</i>
<i>Dean's list</i>	<i>Fall 2024</i>

Academic Projects

- **Example Blog (Nov 2025):** Example blog website in Django.
- **Natural Simulations (Jan 2025):** Simulation of vectors, walkers and animation in Java Swing.
- **IDCN News page (Nov 2024):** Example News site with API fetch and JQuery.

EXPERIENCE

- **Humber ASV** Toronto, Ontario
Software Engineer *Sep 2025 – Present*
 - Developed HumberASV.ca in React and Material UI, contributing to a 5th-place website ranking, placing ahead of Queen's University.
 - Built a GUI system and integrated camera sensors using Python and ROS on NVIDIA Jetson (Linux for Tegra), deployed with Docker, for the Njord competition vehicle — a 15th-place finish.
- **Town of Orangeville** Orangeville, Ontario
Camp Counselor - Inclusion *Summer 2023 & Summer 2024*
 - Communicated plans, feedback, updates, and activity changes to campers and their parents/guardians.
 - Guided peers or campers, facilitated activities and changes, and encouraged participation.
 - Adjusted camp activities with adaptable approaches to meet changing needs or unexpected challenges.
- **Town of Orangeville** Orangeville, Ontario
Program Leader *Sep 2022 - Jun 2024*
 - Led games, crafts, and sports.
 - Developed and adjusted activities and games to suit the needs of everyone.
 - Communicated with participants and their parents/guardians, ensuring satisfaction.

ACHIEVEMENTS AND CERTIFICATIONS

- **PHCD Introduction to Conflict Resolution Certificate:** High Five/Parks and Recreation Ontario (Jan 2024)
